A Multi-Day Intervention for Separated Families
When Children Resist Contact with a Parent

FMF MULTI-DAY WHOLE FAMILY INTERVENTION ESTIMATED COSTS*

Phase I: Referral & Intake:

Includes contact with counsel, individual intake meeting(s) with each parent (by telephone, on-line, in person) and in some cases children, contact with relevant collateral sources, review of intake questionnaires, other relevant documentation, team consultation to accept/decline acceptance into intervention, communications/email with counsel/parents to prepare for intervention)

- Hourly Rate: \$275/hour
- Estimated hours (varies family to family) ~5-10 hours - \$1,375.00-\$2,750.00
- Admin Fee (initial referral, setting up intake and opening file) \$200.00

Phase II: Intervention (takes place at a resort in Ontario for approximately 3 days):

- Hourly Rate: \$250/hour per therapist (intervention is led by two co-therapists, one of whom conducted the intake process with parents)
- 3 days: 10-18 clinical hours per day per therapist →\$15,000.00-\$27,000.00
**additional travel costs may apply*
- \$800.00 per day for 3rd clinician \$2,400.00

Accommodations:

- 2 bedroom hotel suite: ~\$500/day \$1,500.00
 - Single bedroom hotel room: ~\$300/day
(room for each parent, clinician) \$2,700.00
 - Meals (includes meals for clinicians) ~\$500.00
- * Hotel fees include HST.

Estimated Total (Intake + Intervention): \$45,000.00

*A retainer for Intake will be required in advance of scheduling intake meetings. The intake clinician will advise the amount required. For the intervention a total retainer of \$32,700.00 will be required within 48 hours of our acceptance of the family for the multi-day intervention. Fees apply to all services rendered from the initiation of the referral. Any unused retainer will be fully refunded. HST is applied to accommodate any non-therapeutic services (e.g. hotel costs).
